In re Application of	:	
St. Croix, et al.	:	
Application No. 10/519,805	:	DECISION DISMISSING PETITIONS
Filed: December 29, 2004	:	UNDER 37 CFR 1.78(a)(3) AND (a)(6)
Attorney Docket No. 001107.00527	:	

This is a decision on the petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6), filed , to accept an unintentionally delayed claim under 35 U.S.C. §§ 120 and 119(e) for the benefit of priority to the prior-filed nonprovisional and provisional applications set forth in the concurrently filed ADS.

The petition is **DISMISSED**

A petition for acceptance of a claim for late priority under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) is only applicable to those applications filed on or after November 29, 2000 and after the expiration of the period specified in 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii). In addition, the petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) must be accompanied by:

- (1) the reference required by 35 U.S.C. §§ 120 and 119(e) and 37 CFR §§ 1.78(a)(2)(i) and 1.78(a)(5)(i) of the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii) and the date the claim was filed was unintentional. The Director may require additional where there is a question whether the delay was unintentional.

The petition does not comply with item (1).

37 CFR 1.78(a)(2)(i) requires that any nonprovisional application claiming the benefit of one or more prior-filed copending nonprovisional applications must contain or be amended to contain a reference to each such prior-filed application, identifying it by application number (consisting of the series code and serial number) and indicating the relationship of the applications. The

relationship between the applications is whether the subject application is a continuation, divisional, or continuation-in-part of a prior-filed nonprovisional application. An example of a proper benefit claim is: "This application is a continuation of Application No. 10/---, filed---." A benefit claim that merely states: "This application claims the benefit of Application No. 10/---, filed---," does not comply with 37 CFR 1.78(a)(2)(i) since the proper relationship, which includes the type of continuing application, is not stated. The supplemental ADS filed with the present petition fails to comply with the provisions of 37 CFR 1.78(a)(2)(i) and is therefore unacceptable. There is no continuity type listed between "This Application" and Application No. "09/918,715."

Before the petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) can be granted, a renewed petition and either an Application Data Sheet or a substitute amendment (complying with the provisions of 37 CFR 1.121 and 37 CFR 1.76(b)(5)) to correct the above matter is required.

Also, 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) require a statement that the entire delay between the date the claim was due under 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii) and the date the claim was filed was unintentional. Since the statement appearing in the petition varies from the required language, the statement is being construed as the statement required by 37 CFR §§ 1.78(a)(3) and 1.78(a)(6). If this is not a correct reading of the statement appearing in the petition, petitioner should promptly notify the Office.

Further correspondence with respect to this matter should be addressed as follows:
